"Specializing in Evezkor LSA Aircraft"

Is pleased to announce the **arrival and availability of two new "2013" model Evezkor Sportstar Max S-LSA's.**

Both are **"loaded"** with the latest Dynon/Garmin avionics and enhanced airframe options. We didn't miss a thing. Even provisioned for a ballistic recovery system if you prefer. TT 3 hrs. Full factory new aircraft warranties.

Custom metallic paint schemes with upgraded perforated leather interiors.

Absolutely beautiful and better yet they are priced to sell significantly below their Suggested Retail Price of **\$157,950. Preferred customer price - \$139,950!**

Call for full details on these latest examples of superior Evezkor technology and SAI's preferred customer purchase terms and options. By the way all clean, low-time Evezkor trades are welcome.

So why pay more or settle for a lot less? Make the call and "come on down."

We're located in beautiful Kerrville (ERV), Texas. You'll be pleased you did! Call Jeff Conrad 830- 285-3123 for full details & to arrange a demo showing at your convenience.
